Wood naturally changes in color after exposure to UV indoor or sunlight.

Wood is a natural product and will vary in shade, color, texture, knots, grain, minerals, and gloss etc.

Match all Moldings and Flooring pieces for best possible match prior to installation.

Molding Coordinate to flooring, they do not match. Do not install if match is not satisfactory.

Custom Staining Unfinished Moldings may be best alternative.

No credit will be given for molding that have been installed.

Slight size Adjustments maybe required as molding are made in a different factories then Flooring.

Artistic Warranty Exclusions.

- Installed Moldings - It is the responsibility of the installer to detect any objectionable differences before installation begins of any Artistic Finishes products. If any such objections in finish are detected, the Installer, must NOT install the product. Installed product will not be eligible for a warranty claim.
- Color, Special Finishes and Wood Grain Variation - Natural wood variations, such as small knots, mineral streaks, mineral streaks, grain variations and the like, and normal minor differences in the wood shading between samples and installed products. Color changes over time resulting from exposure to sunlight or chemicals. Certain species may darken more than other species when exposed to sunlight.
- Improper Installation: DO NOT keep any applied tape for holding in place during glue application for greater than 24 hours.
- Heavy or Abnormal Residential Use - Accidents, abuse, cleated shoes, spiked heels, failure to use protective caps or pads under furniture legs or wheels, scratches and dents, excessive force from moving heavy furniture or objects, commercial use, or any circumstance causing abnormal damage voids this warranty.
- Water damage - whether caused by flooding, leaks, wet mopping, excessive ground moisture, infiltration of moisture from sidewalls, other surfaces, or other causes.
